## **IT skills**

Microsoft windows operating systems from windows 3.0 to windows 7, at the moment windows XP, Vista and 7 are best in memory. I know moderately Linux distributions as SuSe and Ubuntu. Older operating systems like DOS are familiar to me. Office programs Microsoft office 2003 and 2007 are familiar and I use thus every day. Special knowledge I have Cisco IOS operating system and Norton ghost cloning programs. Windows server 2003R2 and LANDesk computer management software are my current tools.

## **Language skills**

Finnish	home language, appearance is excellent.
English	conversation is good but writing needs practice.
Swedish	basic technical vocabulary.

## **About me**

I was born in 1979 as second child of our family. I have a bigger sister and a little brother. I'm married and we have three child, Ida (-01) Aleks(-04) and Joel(-11). My wife is working as midwife in Kuopio university hospital. Our kids' rules hobbies so if I have free time to myself I try fix cars or drive snowmobile. Computers are my passion.
